2020 - 2021

PHOTOGRAPHER SOULACE PHOTOGRAPHY

As a photographer, I worked with SoulAce Photography, I had the opportunity to work and interact with clients, capturing their special moments and bringing their visions to life. I spent a year in this role, supporting the lead photographer in a variety of tasks, from setting up equipment to editing photos, managing digital assets, and attending to customers. Employed advanced editing techniques using Adobe Photoshop to enhance and retouch images, creating stunning and visually appealing versions of their images.

2021 - 2022

COMPUTER EXPERT ASKIT NIGERIA LTD

During my time with ASKiT, I utilized Microsoft PowerPoint, Word, and Excel to create and deliver instructional tutorials and presentations to clients and team members. I also worked with graphic design packages to enhance the visual appeal and effectiveness of presentations and other projects including collaborating with a team to develop tutorials for student's app projects, utilizing Microsoft tools for project management and communication.

2022 - PRESENT

GRAPHIC DESIGNER SELF-EMPLOYED

I specialize in creating visually appealing designs for various purposes, including branding, advertising, and web design. While I am not a fully professional web developer, I possess intermediate-level skills in web development and have experience utilizing backend languages such as PHP and SQL. I am proficient in maintaining websites using technologies such as PHP, MySQL, Bootstrap, and CSS.
